Re: Designation of State Liaison Officer

Dear Chairman Meserve:

The Radiation Health and Toxic Agents Branch, Department for Public Health, Cabinet for Health Services, has been the communication channel between the Commonwealth of Kentucky and the U.S. Nuclear Regulatory Commission (USNRC).

Since the Cabinet for Health Services performs nuclear safety activities, I am hereby designating Janice H. Jasper, Radioactive Material Specialist, Radiation Health and Toxic Agents Branch, as the State Liaison Officer (SLO). Ms. Jasper will replace John A. Volpe, Ph.D., who is the present SLO.

If you require further information, please feel free to contact Dr. Ed Ford of my office at (502) 564-2611.

Sincerely,

Paul E. Patton
