Re: Freedom of Information Act Request

Dear Sir or Madam:

Pursuant to 5 USC 552(a)(3) and 10 CFR 9.23(b), I request a copy of all records related to the Differing Professional View (DPV) described in the "Region II Items of Interest" section of the NRC Weekly Information Report for the Week Ending June 28, 2002, as follows:

"The Region completed review of a differing professional view (DPV) regarding the Agency's enforcement actions in response to the licensee for the Turkey Point nuclear power plant announcing an inspector's presence in various areas of the site, contrary to NRC requirements. On June 4, 2002, an independent DPV panel completed its review of the DPV and made recommendations to the Regional Administrator (RA). The RA accepted the panel's recommendations and responded to the DPV submitter on June 7, 2002."

I agree in advance to pay reasonable fees associated with this request.

Thank you for your time and assistance in this matter.
