Re: Clarification to Reciprocity Request Under New York License Number 5058

Dear Ms. Villar,

We wish to clarify our reciprocity with the Nuclear Regulatory Commission under New York State Department of Health Radioactive Materials License Number 5058. Please see the attached NRC Form 241.

Our mobile PET facility will be used at Phoenixville Hospital, 140 Nutt Road, Phoenixville, PA 19460 on the following four dates: August 8, 2002, August 15, 2002, August 22, 2002, and August 29, 2002. The use of F-18 and the other sealed sources are covered under our Pennsylvania mobile PET license PA-0900, which we have already submitted.

Once the reciprocity request has been processed, could you please fax a copy to my attention at facsimile number (301) 682-5930 and an additional copy to Wendy Rowan at facsimile number (610) 993-1651.

Thank you for your attention in this matter. If you have any further questions or need any additional information, please do not hesitate to notify me at (800) 394-2620, Ext. 208.

Sincerely,
