

DOCKET NUMBER
PROPOSED RULE **PR 71**
(67FR21390)

129

From: "Thomas Baldino" <nastalbald@hotmail.com>
To: <cag@nrc.gov>
Date: Mon, Jul 29, 2002 7:02 AM
Subject: NRC and Dot proposed rule changes for transporting radioactive waste

I believe that public health and safety will be compromised by the proposed rule changes regarding the transportation of radioactive waste and I respectfully request the NRC to drop the pursuit of these rule changes and focus on making rule changes that further protect the health and safety of the public.
