Ms. Carolyn Johnson  
Division Head  
Business and Government Division  
Rochester Public Library  
115 South Avenue  
Rochester, NY 14604

SUBJECT: MAINTENANCE OF REFERENCE MATERIAL AT THE ROCHESTER PUBLIC LIBRARY FOR THE R. E. GINNA NUCLEAR POWER PLANT LICENSE RENEWAL APPLICATION

Dear Ms. Johnson:

This is to confirm a telephone conversation on August 7, 2002, with Jennifer Davis of the U.S. Nuclear Regulatory Commission (NRC) staff, concerning the maintenance of relevant documents by your library. These documents are related to the NRC staff's review of the application by Rochester Gas and Electric for license renewal of R. E. Ginna Nuclear Power Plant for an additional 20 years. Over the 18-month period of the review, the volume of documents and related correspondence is expected to fill about one 3-foot shelf.

Enclosed is a paper copy of the application for license renewal. An electronic version is also available at the NRC's Public Electronic Reading Room, accessible through the NRC Home Page (<http://www.nrc.gov>).

We appreciate your willingness to assist the public in participating in the license renewal process. We will place the Rochester Public Library on our distribution list for documents and notices related to the Rochester Gas and Electric application for license renewal at R. E. Ginna Nuclear Power Plant.

Thank you for your cooperation. If you have any questions, you can reach me by telephone at (301) 415-1312 or by e-mail at [RGS@nrc.gov](mailto:RGS@nrc.gov).

Sincerely,

**/RA/**
