Thanks for all your drafts and comments.

Attached is the draft of the full report. I believe I made all the changes you submitted but please check. Also, give some attention to the ordering of the various subjects as this is a first shot.

I would like to receive any comments by noon Monday. I will incorporate them and forward a revised draft, hopefully by end of the day.

I would like to meet tomorrow for a short time after you have had a chance to take a quick look at the full report so that we can jointly discuss any major changes. We have arranged the meeting at 3:30 in T 3C1. Also, if you can, please bring a set of your attachments that I can have to add to the report.

Also, bring any other topics we should discuss as a group.

See you tomorrow.

Howard
