Subject: Non-P SER Chapters

Hi Joe:

The GE adaptation of P into Non-P SER Chapters are attached for 1 through 7. The philosophy we used was to write sensible prose around the proprietary deletions and leave all the unmarked material as is. In some rare cases it made sense to extend the editing and coalesce the material.

The attached zip file includes each chapter in 3 different formats: MS .doc, WordPerfect .wpd, and pdf.

The password is the same as before. <<Non-P Chapters.zip>>

Call if you have questions. I'll respond tomorrow on my action items.

Regards, Jim H
