Subject: Transmittal of Draft Trip Report

Attached is the latest draft of the trip report. Don is still working on the references (and the reference section) which are due this morning to be incorporated. The DRAFT report will be sent to John Craig about noon today to forward to the Commissioners. Please look over the report for any "MUST Stop the Draft Report Transmittal" item. Non-critical improvements and additions will be made as time allows between now and when we transmit to the report.

Your concurrence will be requested before we transmit the FINAL report next week.

Sorry for the delay.

Thanks.

Stu
