TEMPLATE-ADM 001

ADM 02

The purpose of this modification is to (1) increase the delivery order ceiling by \$79,779.86 from \$13,037,502.31 to \$13,117,282.17 to add maintenance support to CLIN 7 and CLIN 10, and (2) effect a no-cost change to the labor-hour mix contained in the price schedule for CLIN 23 to provide the requisite skills for production of system documentation under the CLIN.

Under CLIN 7, maintenance support in the amount of 1100 hours of OAO staff effort, is added to complete/update the FEES systems documentation. The updated documentation will form the basis for complying with the recommendations from the Government Information Security Reform Act (GISRA) review, which indicates that the business continuity plan and the system security plan be updated for the FEES systems. This effort was not anticipated at initiation of the delivery order, as the GISRA review had not been completed at that time. Update of the FEES systems documentation shall be completed by May 30, 2002. The ceiling of the CLIN will be increased by \$59,994.00 to provide this support.

Under CLIN 10, maintenance support in the amount of 237 hours of OAO staff effort, is added to accommodate unanticipated maintenance under the Comedo system in relation to changes in the Quattro Pro spreadsheets utilized by the application. This maintenance was not anticipated at the time of delivery order award. The ceiling under the CLIN will be increased by \$19,798.10 to provide this support.

Under CLIN 23, maintenance support is added to allow for preparation of system documentation in accordance with NRC SDLCMM requirements. This maintenance activity will be accommodated within the ceiling of the CLIN by redistributing the mix of labor estimated in the price schedule, resulting in a decrease of \$12.24 to the CLIN ceiling.

Accordingly, this order is hereby modified as follows:

Under Section F.8, Consideration and Obligation, the first paragraph is deleted and replaced with the following:

“The total estimated amount (ceiling) of this order is \$13,117,282.17.”

The Price Schedule is hereby replaced with the Price Schedule contained in Attachment 1 to this modification.

All other terms and conditions of this order remain unchanged.
