I looked over OCFO's responses to comments received from the public on the proposed FY 2002 fee rule and have no additional comments to offer. Our particular interest in the proposed rule is with the waiver of fees and OCFO's responses reflect NRR's concerns.

Claudia/Mike:

The attached document is a draft of OCFO's response to the comments received on the FY 2002 Proposed Fee Rule. This e-mail and attachment is a "heads-up" of what is going to be in the final fee rule. OCFO plans to send the final rule to EDO for concurrence within the next day or so.

If you have questions or comments on any of the responses, please let me know by Noon tomorrow, 5/22/02.

Thanks,
Ann
