 Subject: Room for Today's Meeting of the Orders Task Group

Just a reminder that we will meet at 9:30-10:00 am today to discuss the outline for writing our bases document on the issuance of orders on CRDM nozzles. I've reserved OWFN 9B6 as the conference room for the meeting.

Thanks,

Jim

- orders : hearing
- basis of Violation
criteria 16
- partial violation 2000
Davis Besse
- Adequate protection : Risk
- LT brief @ 9/18
