Subject: Davis-Besse/ NRC Conference Call Re: Bulletin 2001-01 Response

Stephen-

I received your voice mail regarding setting up a conference call to discuss Davis-Besse's response to Bulletin 2001-01. Tomorrow morning (Tuesday, October 2) we have an Emergency Plan exercise scheduled. We would like to hold the conference call in the afternoon at 1:00 PM or later. I would like to suggest 1:30 PM to start the call.

It is my understanding the following NRC staff will be participating: Brian Sheron, Allen Hiser, Jr., Bill Bateman, John Zwolinski, Tony Mendiola, yourself, and likely others. Once we set the time, we can exchange lists of expected participants and the appropriate phone lines.

Please let me know as soon as you can what time would work best for the NRC staff. Thank you for your assistance in setting up this call.
