Subject: 11/08/01 Meeting with NEI, MRP, and PWR Licensee's on CRDMs

The attached notice was issued today for a meeting scheduled next Thursday, November 8, 2001, with NEI, MRP, and Operating PWR Licensee's. The purpose of the meeting is to discuss the NRC staff's technical assessment for vessel head penetration nozzle cracking associated with NRC Bulletin 2001-01, "Circumferential Cracking of Reactor Pressure Vessel Head Penetration Nozzles."

The technical staff is currently finalizing this technical assessment, with a goal of issuance by COB tomorrow, Friday, November 2, 2001. Once issued, I will email you all a copy.

If you have any questions, please call or e-mail me.
