Jenny,

I was slightly mistaken. There are 2 meetings scheduled.

Meeting today at 5:30 pm requested by Davis-Besse. The licensee would like to present its video tapes of the past inspections to demonstrate its quality. This meeting is closed to the public due to the proprietary nature of the information.

Meeting tomorrow at 11:00 am in room O-7B4 requested by the NRC to discuss their submittal re: risk arguments. This meeting is open to the public.

I will send location of 5:30 meeting when I have the info.

Larry.
