Doug,

I will be on travel on 11/13,14 and 15. If you schedule the meetings for those dates, you will need to proceed without me.

Steve

Bill/Rich -

Now that the licensee has a copy of the staff's technical assessment of crack growth rate, they are requesting a public meeting to discuss the Davis-Besse specifics.

They would prefer an afternoon meeting (to support flying out in the morning) and have suggested next Tuesday, November 13 at 1:00 p.m. If this is not good, can you provide other dates for an afternoon meeting?

Please respond to both Jon Hopkins and myself.

Thanks - Doug
