Subject: STATUS OF ORDERS

Davis-Besse Order:

Order is finalized as was attached to the memo from Sam to the EDO which, I've heard, was sent today.

D.C. Cook 2:

This order is 90% exactly the same as the D-B Order. Allen Hiser added plant specific info re: past history of cracking and details of Bulletin responses.

I e-mailed all parties a copy of the Order for comments. I am only expecting significant comments from OGC. Mitzi is not available until Monday morning at which time I will meet with her to resolve any issues. Based on the fact that 90% of the Cook order has already been reviewed by OGC, I anticipate that I will be able to resolve any issues with OGC in 1 day. Therefore, the Cook 2 Order should be finalized by Tuesday, 11/20/01.

I have also produced a cover letter for both plants in preparation for issuance of the Orders (which will be attached to the cover letter). Sam will sign letter and order.
