Subject: Sept 10th and 11th hearings scheduled by NRC in San Luis Obispo County, California

SERVED August 29, 2002

Honorable Judge Bollwerk,

I am writing to urge you to honor the full two days of pre-hearing conferences scheduled for 9:30am to 4:30pm, on both Sept 10th and Sept 11th, at the Cliffs Resort in San Luis Obispo County to address the Diablo Canyon / PG& E license application for an independent spent fuel storage facility installation. I understand PG & E is pressuring parties involved in these conferences to complete their presentations on just the first day. As experts due to speak at the conferences are flying from across the country at the expense of a non-profit organization operated by volunteers, I urge you to NOT give in to the pressure of a bankrupt yet financially powerful PG & E.

Further, I urge you to allow public comment during the pre-hearing conferences as the community affected by the operation of Diablo Canyon has much to say on this matter. Importantly, I urge you to extend the hours of the conferences so community members who are not able to attend during work hours are able to attend and be heard after work hours. Please allow the community a fair chance to be heard in these proceedings.

Respectfully and sincerely,

Lorraine Kitman
