Big events of last week:

(1) Decision made not to pursue Order for D.C. Cook,

(2) On 11/21/01, a revised memo was sent to the EDO that confirmed (1) and attached a revised Order (minor changes as compared to the Order attached to the 11/16/01 memo). I have placed a copy of the 11/21/01 memo on your chair. Also contained in that package is a mark-up of the 11/16/01 Order. This is important as these changes need to be made to the version of the Order that is now in ADAMS (placed in ADAMS by Stephen). The concurrence package for the cover letter and Order are also on your chair. **BOTTOM LINE** - the changes need to be made prior to issuance.

If the memo forwarding the ORder to the Commissioners was issued Wednesday, 11/21/01, then we could not issue the Order prior to 11/30/01. - so we have time to make the Order.

(3) DSRs issued everyday except Friday, 11/23/01,

(4) Concurred on press release up to DE (I returned the press release to Victor Dicks and he was to take to Brian Sheron),

Well, it certainly seems like I did more last week but this is all I can think of right now.
