Dear Ms. Piccone:

In support of Wisconsin's continuing efforts to become an agreement state with the Nuclear Regulatory Commission, I am submitting with this letter the following information for your review and comment:

1. A copy of the final Wisconsin radiation protection rule HFS 157 that became effective on August 1, 2002.
2. A letter from the Wisconsin Revisor of Statutes Bureau certifying the HFS 157 copy as an accurate copy of the final rule.
3. A copy of the final HFS 157 that shows the additions (in bold and underlined) and deletions (strikethrough) to the draft version you were originally provided in Sept. 2001.

I look forward to receiving your comments on the final rule. Please contact either myself at 608 267-4792 or [schmips@dhfs.state.wi.us](mailto:schmips@dhfs.state.wi.us) or Cheryl Rogers at 608 266-8135 or [rogerck@dhfs.state.wi.us](mailto:rogerck@dhfs.state.wi.us) with any questions.

Sincerely,

Paul Schmidt, Chief  
Radiation Protection Section
