Re: Clarification to Reciprocity Request Under New York License Number 5058

Dear Mr. Perkins,

We wish to clarify our reciprocity with the Nuclear Regulatory Commission under New York State Department of Health Radioactive Materials License Number 5058. Please see the attached Forms 241.

Our mobile PET facility will be used at 2701 Blair Mill Road, Willow Grove, PA 19090 on Monday, August 26, 2002. We have already established this site previously and currently have filed for every Wednesday until the end of the year. We would like to add this one day of use. The use of F-18 and the other sealed sources are covered under our Pennsylvania mobile PET license PA-0900, which we have already submitted.

We also wish to add following three days at 595 W. State Street, Doylestown, PA 18901: August 26, 2002, September 3, 2002, and September 10, 2002. This site has also already been established. Again, the use of F-18 and the other sealed sources are covered under our Pennsylvania mobile PET license PA-0900, which we have already submitted.

Once the reciprocity requests have been processed, could you please fax a copy to my attention at facsimile number (301) 682-5930 and an additional copy to Wendy Rowan at facsimile number (610) 993-1651.

If you have any further questions or need any additional information, please do not hesitate to notify me at (610) 993-1640, Ext. 208 or on my cell (301) 514-2092.

Sincerely,
