Subject: SFSO/GEUMCO QUALITY ASSURANCE PLAN, REVISION

Gentlemen:

In response to the telephone conversation of June 17, 1983 between John Roberts of your office and Chuck Herrington, we have reviewed our document, NEDO-20776, "SFSO/GEUMCO Quality Assurance Plan." As suggested by Mr. Roberts, we did find editorial errors in the latest revision (Revision 07). A new revision is being prepared to correct the errors.

During the interim period, a Management Directive has been issued to advise SFSO/GEUMCO personnel of the errata and addenda and to instruct them to comply with the corrected version.

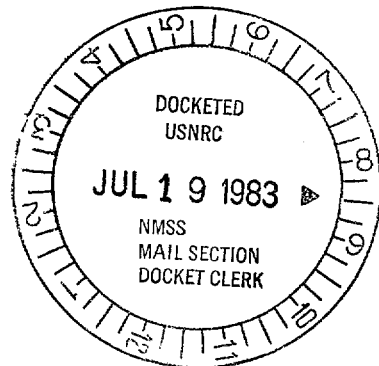

The new revision (Revision 08) will be forwarded to you upon its completion.

Respectfully submitted,

GENERAL ELECTRIC URANIUM MANAGEMENT CORP.
