Subject: Quality Assurance Plan Revision

Gentlemen:

This letter transmits, for your information, Revision 7 of the "Spent Fuel Services Operation and General Electric Uranium Management Corporation Quality Assurance Plan", NEDO-20776.

Revision 7 incorporates changes necessitated by reorganization of the Spent Fuel Services Operation and General Electric Uranium Management Corporation. No other substantive changes have been made. Therefore, this revision does not constitute a license change or other action requiring a fee under 10 CFR 170. Please contact C. Herrington of this office if there are any questions (408\*925-6384).

Respectfully submitted,

GENERAL ELECTRIC URANIUM MANAGEMENT CORPORATION
