Dear Sir/Madam:

I am writing to seek any assistance and/or information you may be able to provide me. Please allow me to give you a brief background of myself. I am an African-American Woman due to be released from a California State Prison, after fully completing my brief term of commitment.

I have an extensive background in the accounting and business field. I have done private consulting as well as having provided services for a major law firm.

Upon my release, I would very much like to develop a family business in the commercial - janitorial field and/or contracting services to the State of California and/or Federal Government. I have already begun the process of developing and putting to paper a business plan. Additionally, I have looked into the best way to market my start-up business, as well as the cost associated with that.

I am mainly writing to inquire what type of assistance I may be eligible ^{for} on a state level, to reach my goal and dream.

of running my own business successfully.
Thank you in advance for any
your assistance in this matter. You can
write me at the address provided below.

Sincerely,
Pat Felt
