SUBJECT: CONFIRMATORY ACTION LETTER NO. NMSS 96-01

Dear Mr. Davis:

This refers to your letter dated September 22, 1997, concerning the U.S. Nuclear Regulatory Commission Confirmatory Action Letter No. NMSS 96-01 (CAL) dated September 30, 1996. In your letter, you stated that NAC International, Inc. (NAC), has completed the corrective actions regarding resolution of the issues specified in the CAL. Furthermore, you stated that NAC confirmed completion of the corrective actions by performing comprehensive internal audits based on NAC's revised quality procedures and management review of the actions taken.

In your September 22, 1997, letter you also stated that maintenance activities for the Models NLI-1/2 and NAC-1 casks have not been performed because these casks are not authorized for use at this time. You also asserted that full maintenance of these casks will be performed, in accordance with the Certificates of Compliance, before use. The corrective actions described in your September 22, 1997, letter which have been, or will be, taken regarding the issues specified in the CAL are acceptable and no additional information is requested at this time.

CAL No. NMSS 96-01 is closed effective the date of this letter. However, the corrective actions taken and the implementation of your quality assurance program will be reviewed in future inspections of your transportation and dry storage activities.

Sincerely,

(Original signed by)

Carl J. Paperiello, Director
Office of Nuclear Material Safety
and Safeguards
