The Honorable Jeff Miller
U.S. House of Representatives
Washington, DC 20515

Dear Congressman Miller:

I am responding to your letter dated July 19, 2002, to Mr. Dennis Rathbun, Director of our Office of Congressional Affairs. Your letter referred a letter from one your constituents, W. D. Moran, who had information of a proprietary nature that he wished to discuss with someone with knowledge in the fields of nuclear energy and chemical transportation. The letter did not include any detailed information. A knowledgeable member of my staff contacted Mr. Moran. Mr. Moran represents a client who has a proprietary concrete-like product that may have potential for use in the nuclear industry. Mr. Moran was referred to other members of my staff who have expertise in this area and to appropriate industry trade organizations.

I trust that our actions have been responsive to your constituent's concerns.

Sincerely,

/RA by Carl J. Paperiello Acting For/
