Re: Martin J. O'Neill

Dear Mr. Szabo:

I served as a staff attorney in the U.S. Nuclear Regulatory Commission Office of General Counsel, and on September 3, 2002, became an associate attorney at Winston & Strawn.

While working at the NRC, I performed work on behalf of the NRC Staff in a proceeding involving Winston & Strawn's client, Tennessee Valley Authority ("TVA"). The proceeding involves applications to the NRC for license amendments to authorize TVA to produce tritium at the Watts Bar and Sequoyah Nuclear Plants on behalf of the Department of Energy. Winston & Strawn partner David A. Repka leads a team representing TVA in the NRC proceeding (the "Screened Matter").

Pursuant to Rule 1.11(d)(2) of the District of Columbia Rules of Professional Conduct, I hereby attest that during the applicable period of disqualification I will not participate in any manner in the Screened Matter or the representation relating thereto, will not discuss the Screened Matter or the representation relating thereto with any other lawyer employed by Winston & Strawn and will not share in any fees for the Screened Matter or the representation relating thereto.

Sincerely,

Martin J. O'Neill
