This acknowledges receipt of NRC Form 241 dated September 16, 2002, and the \$1400 application fee, submitted to the NRC Region IV office to report proposed activities in NRC jurisdiction under the authority of the general license pursuant to 10 CFR 150.20.

Your Agreement State license is recognized as valid for the proposed use of licensed material at the location listed on your Form 214, and attachments, if any

The calendar year 2002 RTS Reference number for your proposed location of work is:

RTS Reference Number	Proposed Location of Work

Please refer to this RTS Reference number in any future communications. If you make changes to the initial NRC Form 241, then you must provide those changes to this office. Such changes include proposed additional work locations, addition, deletion or modification to the dates of work, change in work site contacts, use of different radioactive materials, or election to perform additional work activities within NRC jurisdiction.

Please be aware that working under reciprocity in NRC jurisdiction requires you to comply with NRC regulations, as described in 10 CFR 150.20.

Information submitted on Form 241 must be specific regarding the location and dates of use. You are required to notify this office three days prior to each proposed generally licensed activity. However, given the nature of your licensed activities, the time requirement specified in 10 CFR 150.20(b)(1) for the filing of NRC Form 241 and any subsequent notifications has been waived, provided that you:

- A. inform this office by telephone or facsimile of activities or revisions to the information submitted on the initial NRC Form 241, and

- B. receive oral or written authorization for the activity(ies) from this office, and
- C. submit written confirmation and the check for the fee payment, if applicable, within 3 days after the notification.

Please note, all notifications of work activities or changes to the information submitted on the initial NRC Form 241 must include, as a minimum, the following information: licensee name, agreement state license number, location of work, dates of work, and the signature of the RSO or designee.

Enclosed is an NRC signature copy of your NRC Form 241. We appreciate your cooperation. If you have questions concerning this letter or other aspects of working in NRC jurisdiction under reciprocity, please contact me at 817-276-6552.

Sincerely,
