Subject: Draft Regulatory Guide DG - 1117

RECEIVED

2002 SEP 19 AM 9:24

Rules and Directives
Branch
USNRC

Dear Sir,

I have received Draft Regulatory Guide DG - 1117 'Control of Concentration in Containment'.

I suggest that in addition to what is mentioned in DG, the criteria to assess the adequacy of performance of 'Atmosphere Mixing System' may also be included in the Guide.

With regards.

Sincerely

A.S. Hunjan
