MEMORANDUM TO: Annette L. Vietti-Cook  
Secretary of the Commission

FROM: Michael T. Lesar, Chief / **RA** / **Signed by M T Lesar**  
Rules and Directives Branch  
Division of Administrative Services  
Office of Administration

SUBJECT: FEDERAL REGISTER NOTICE

Attached for your signature and concurrent publication in the Federal Register is the following final rule document (ADAMS Accession No: ML022680319):

NUCLEAR REGULATORY COMMISSION  
10 CFR Part 63  
RIN 3150-AG91  
Specification of a Probability for Unlikely Features, Events and Processes

Please forward the attached diskette and the accompanying certification memorandum to the Office of the Federal Register (OFR), along with the signed original and two certified copies of the document entitled "Specification of a Probability for Unlikely Features, Events and Processes." The diskette contains an electronic copy of the document in WordPerfect. In your transmittal sheet to the OFR, please request that they use the diskette to typeset the document.

The effective date on page two of the notice should be 30 days after publication in the Federal Register. Please request that the OFR insert the effective date and the date the document was signed on the diskette.

A press release on this rulemaking has been prepared, and appropriate Congressional committees are being informed. Please send a signed copy of the notice to the Office of Congressional Affairs for inclusion with the Congressional letters and Congressional Review Act forms.

A marked copy of the final rule document, showing changes made after the rule was forwarded to the Commission for approval, is also included.

Attachments: As stated.
