Gentlemen:

This refers to your application dated June 22, 1978 requesting approval of your Quality Assurance (QA) program as meeting the QA program requirements of 10 CFR §71.51.

In connection with our review, we need the information identified in the enclosure to this letter. Please submit seven copies of your response to the enclosed request for additional information within 30 days following receipt of this letter. Also, please delete the operating procedures (including Appendix A) from the application. While there must be supporting written procedures to implement your QA program, these procedures and forms should not be submitted as part of your QA program plan.

If you have any questions regarding this request, please contact Mr. Jack Spraul at (301) 492-7741.

Sincerely,

Original Signed by
CHARLES E. MACDONALD

Request for Additional Information

The areas to be covered by audit are too limited. Provide a statement that each activity will be audited at least once each year by an auditor having no responsibility in the activity he audits. The audited activities should include the activities of the Radiographic Safety Officer, training activities, record keeping, etc.
