TRAINING: No special training requirements have been identified for any documents issued with this change notice.

REMARKS: TI 2515/148, Revision 1 (Inspection of Nuclear Reactor Safeguards Interim Compensatory Measures) has been revised to address regional comments and to provide a vehicle (Attachment A) for timely feedback to NRC internal and external stakeholders in understanding the status of the ICMs at power reactors and their impact on the associated security programs.

Appendix A and B to this TI contains safeguards material and is not included with the TI. For information on these appendices contact either Al Tardiff, NSIR (301-415-3814) or Juan Peralta, NSIR (301-415-1052).
