From: [REDACTED] 61
To: Son Ninh
Date: 1/28/02 2:04PM
Subject: Announcement of Resident Inspector

This is to inform you that while Roger Reyes was walking around this afternoon he went into the truck gate security booth area. While he was there the security guard assigned the phone on the speaker box, and it was said "Hey, I want to let you know the NRC is walking around", the guard quickly picked up the phone. The guard in the truck said over the phone that yes, he is here. [REDACTED]

26

[REDACTED] informed licensing and security this was not allowed.

41

[REDACTED] the region instructed me to write a violation for the same type of thing.

CC: J. Rogerio Reyes
