Concern of 0

[redacted] concern is that the licensee did not properly capture the concern and hence did not treat the conditions properly.

Answer

→ The CR report includes both the licensee's version of the story & the NRC version as the
+ CR block 2 discusses NRC presence
+ CR Block 7 covers both situations

Licensee's investigation does indicate that no notifications of NRC activities were monitored.

+ Corrective actions sufficient to cover both scenarios

+ Version of report in ADAMS 2 on R drive does not contain the concerned page marked up by [redacted] to reflect his disagreement with treating the issue as an NRC.

~~Further FOI 2210 & 2230 contain actions to be used~~

Not clear the provisions with of
Doesn't appear that FOI 2210 and 2230 were triggered by these comments, since [redacted] did comment on the report.
