[REDACTED] b1  
old Region I he does not want a lateral for RI at IP.

I talked to Licensing Manager about complaint they made to [REDACTED] b1 They were just trying to explain why they were frustrated to [REDACTED] He is going to talk to PM about how business is conducted. They do not want to make a complaint. Also, I told him I heard no complaints when NRR was down here recently.

Third interview is Thursday at 10:00 am.

Chuch Ogle is trying to set up call with DPV panel on Thursday. It is Ogle, Bob Carroll, and enforcement person from another region or NRR.

Just as a reminder I have AL for Friday.

I completed SDP training and am reviewing what I missed. I did poorly 48%. I think I understand the concepts but the biggest problem seems to be figuring out the plant configuration with the different trains and the assumptions they make [REDACTED] b1 is still working on his training but hopes to get it done today.
