MIGRATORY BIRD DEPREDATION PERMIT
50 CFR 21.41
STANDARD CONDITIONS

1. Permittee shall carry a copy of this permit whenever exercising its authority.
2. No blinds, pits, or other means of concealment, decoys, duck calls, or other devices can be used to lure or entice birds within gun or trap range.
3. If take is by shotgun, it can be no larger than No. 10 gauge and must be fired from the shoulder and must use non toxic shot unless otherwise authorized in Condition D of this permit. Nonlethal methods must be used alternately with lethal control for optimum results.
4. No species may be taken which is on the United States List of Threatened and Endangered Species.
5. Birds, nests or eggs taken under this permit must be (1) turned over to the U.S. Department of Agriculture for official purposes, (2) donated to a public educational or scientific institution as defined in 50 CFR 10, (3) completely destroyed by burial or incineration or (4) as directed in Condition D of this permit.
6. Permittee shall maintain records as required in 50 CFR 13.46. All required records relating to permitted activities must be kept at the location as indicated in writing by permittee to the issuing office.
7. Authorities granted by this permit shall not be exercised contrary to the laws of the appropriate State agency(ies).
8. Any killing of birds during the open hunting season must be in accordance with all State and Federal hunting regulations unless authorized on the face of this permit.
9. Failure to comply with ANY of these conditions listed may result in the immediate suspension of this permit.
