OFFICE OF SECRETARY
 RULEMAKINGS AND
 ADJUDICATIONS STAFF

John Wallace:

The NRC staff, whom Angela Coggins and I represent, would very much appreciate your sending the Community Services District's "Comments on Conference Matters," to be filed by October 7, 2002, to us by e-mail, as well as doing the required service by mail. We have multiple obligations during the response time to ABCSD's Comments and e-mail distribution would be appreciated for that reason.

Additionally, as stated in its Memorandum and Order (Schedule Relative to Participation by Additional 10 C.F.R. 2.715(c) Interested Governmental Entity), dated September 27, 2002, the Atomic Safety and Licensing Board has requested parties to provide copies of their pleadings by e-mail, as a supplemental distribution method. The parties on the e-mail list that I have been using, which I believe to be complete, are all receiving this e-mail as cc's. By that means, I am also providing that e-mail list for ABCSD's use. I am sure that all of the other parties, as well as the Board will greatly appreciate supplemental distribution by e-mail.

Thanks very much, and if you have any questions for the NRC staff, please either e-mail them to me, or call me at (301) 415-1684. Please also include Angela Coggins in any e-mails, and if you do not hear back from me promptly in response to a voice mail message, you may also contact Angela at (301) 415-1574.
