Mr. Douglas M. Duncan
County Executive
Office of the County Executive
Rockville, Maryland 20850

Dear Mr. Duncan:

I am writing on behalf of the U.S. Nuclear Regulatory Commission (NRC) in response to your letter of September 27, 2002, requesting that employees of the NRC be identified to serve as Election Judges in Montgomery County for the November 5 general election. The NRC appreciates your efforts to ensure a smooth voting process for County citizens.

I have instructed the NRC's Office of Human Resources to issue a notice to all NRC employees informing them of the opportunity you have presented for qualified employees to volunteer for these positions. Employees will be advised to notify the point of contact identified in your letter, Ms. Sara Harris at the Montgomery County Board of Elections, of their interest.

Thank you for allowing the NRC to participate in this important endeavor.

Sincerely,

/RA/

Richard A. Meserve
