Reference: Oregon State University TRIGA Reactor (OSTR)  
Docket No. 50-243, License No. R-106

Subject: Newly Appointed Director for Radiation Center

Gentlemen:

I have appointed Dr. Andrew Klein as Director of the Oregon State University Radiation Center and TRIGA Reactor effective October 1, 2002. Dr. Klein replaces the Interim Director, Dr. Jack Higginbotham. By this letter, the U. S. Nuclear Regulatory Commission is notified of the staff transition in the Director position, as is required by the Technical Specification 6.7.c.3 of License No. R-106, Docket No. 20-243.

Dr. Klein has a long involvement with the OSU TRIGA reactor facility having served on the Reactor Operations Committee for the past decade and has been instrumental in the delivery of the reactor neutronics courses and laboratories which utilize the facility. His administrative experience has included serving as department head of Nuclear Engineering for the past nine years and as Director of Oregon Space Grant.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on October 2, 2002.

Sincerely,

A handwritten signature in black ink, appearing to read 'G. R. Holdren, Jr.'.
