COMMISSION AND COUNTY OF SAN

v.

NO. 02-72735

U.S. NUCLEAR REGULATORY
COMMISSION, Respondent

**MOTION TO INTERVENE OF THE NORTHERN
CALIFORNIA POWER AGENCY**

Pursuant to Rule 15(d) of the Federal Rules of Appellate Procedure and Circuit Rules 26.1 and 47.4, the Northern California Power Agency ("NCPA") hereby seeks leave to intervene in the above-captioned proceeding. NCPA seeks to intervene as a non-aligned party, but wishes to reserve the right to change its alignment as more information becomes available. In support of this motion, NCPA states as follows:

On August 23, 2002, the California Public Utilities Commission and County of San Luis Obispo ("Petitioners") filed a petition in this court for review of the following order of the U.S. Nuclear Regulatory Commission ("NRC"):

- *In the Matter of PACIFIC GAS AND ELECTRIC CO., (Diablo Canyon Power Plant, Units 1 and 2), Docket No. CLI-02-16, 55 NRC --- (June 25, 2002).*

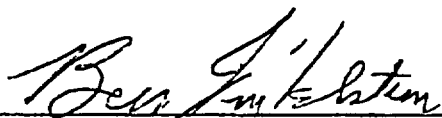

NCPA is a public agency created pursuant to the laws of California, and engaged in the generation and transmission of electric power and energy. NCPA was created by a joint powers agreement dated July 19, 1968, as amended, entered pursuant to Chapter 5, Division 7, Title 1 of the California Government Code commencing with Section 6500. The Cities of Alameda, Biggs,

Gridley, Healdsburg, Lodi, Lompoc, Palo Alto, Port of Oakland, Redding, Roseville, Santa Clara, Ukiah, Turlock Irrigation District and Truckee Donner Public Utility District are members of NCPA. Association of Bay Area Governments, Bay-Area Rapid Transit, Lassen Municipal Utility District, Placer County Water Agency, Plumas-Sierra Rural Electric Cooperative, and the Cities of Davis and Santa Barbara are associate members of NCPA. NCPA is not a nongovernmental corporate party and does not issue stock, so it is not subject to the corporate disclosure statement requirement of Rule 26.1 of the Federal Rules of Appellate Procedure. NCPA's Certificate of Interest is attached.

NCPA was a party to and actively participated in the proceedings before the Commission in the underlying docket. Further, the interests of NCPA and its customers may well be affected by any ruling in this proceeding. No other party can adequately represent the interests of NCPA in this matter.

Wherefore, NCPA respectfully requests leave to intervene in the above-captioned proceeding.

Respectfully submitted,
