October 8, 2002

C&J's NDT, Inc.
ATTN: Chuck Schaan
Radiation Safety Officer
6605 Sonora Way
Bismarck, ND 58501

SUBJECT: NRC FORM 241

Mr. Schaan:

This acknowledges receipt of NRC Form 241 dated October 1, 2002, and the \$1200 check, received as part of the application fee for proposed work activities in NRC jurisdiction under the authority of the general license pursuant to 10 CFR 150.20. However, the application fee for CY2002 is \$1400. Please FAX a copy of the \$200.00 in order to complete the initial application. Pending receipt of the remaining \$200.00, Region IV will complete the filing of your application.

Your Agreement State license is recognized as valid for the proposed use of licensed material at the locations listed on your Form 241, and attachments, if any. You may begin work under reciprocity when a faxed copy of the \$200.00 check is received and NRC Form 241 clarifications are received for your work locations. Please be aware that working under reciprocity in NRC jurisdiction requires you to comply with NRC regulations, as described in 10 CFR 150.20.

The calendar year 2002 RTS Reference numbers for your work locations will be assigned when the NRC Form 241 clarifications are received for the respective work locations. Please refer to the appropriate RTS Reference number in any future communications regarding the respective work locations. You must make changes to the initial NRC Form 241, and provide those changes to this office, when you propose to add locations of work, add or delete dates of work, change work site contacts, use different radioactive materials, or elect to perform additional work activities within NRC jurisdiction.

Information submitted on Form 241 must be specific regarding the location and dates of use. Since your reciprocity request is for various locations over an extended period of time, you are required to notify this office three days prior to each of the proposed generally licensed activities. However, given the nature of your licensed activities, the time requirement specified in 10 CFR 150.20(b)(1) for the filing of NRC Form 241 and any subsequent notifications has been waived, provided that you:

- A. Inform this office by telephone or facsimile of work activities or changes to the information submitted on the initial NRC Form 241, and

- B. Receive oral or written authorization for the activities from this office, and
- C. Submit written confirmation and the check for the fee payment, if applicable, within 3 days after the notification.

Please note, all notifications of work activities or changes to the information submitted on the initial NRC Form 241 must include, as a minimum, the following information: licensee name, agreement state license number, location of work, dates of work, and the signature of the RSO or designee.

In accordance with 10 CFR 2.790 of the NRC's "Rules of Practice," a copy of this letter, and your response (if any) will be made available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

/RA/

Rachel S. Browder, Health Physicist
