

October 15, 2002

Dear :

Thank you for attending the U.S. Nuclear Regulatory Commission's (NRC's) May 23, 2002, public meeting in Las Vegas, Nevada on the Draft Yucca Mountain Review Plan, Revision 2, (NUREG 1804). We appreciate your attendance and the opportunity to listen to your concerns. As you requested, I am enclosing a copy of the official meeting transcript.

All comments made during the meeting, as well as those made at the May 21, 2002 meeting in Pahrump, Nevada, and the May 22, 2002, meeting in Las Vegas are part of the official record. We are carefully reviewing these comments, along with others received in writing, as we complete the Yucca Mountain Review Plan.

We expect to return to Nevada for future public meetings on other topics related to the proposed repository and NRC's role for ensuring public health and safety. We look forward to meeting with you again.

Sincerely,

/RA/

Janet R. Schlueter, Chief
High-Level Waste Branch
Division of Waste Management
Office of Nuclear Material Safety and Safeguards
