The Commission has delegated to the EDO (10 CFR 1.32(c)) the authority to develop and promulgate rules as defined in the APA (5 U.S.C. 551(4)) subject to the limitations specified in NRC Management Directive 9.17, "Organization and Functions, Office of the Executive Director for Operations," paragraphs 0213, 038, 039, and 0310.

The attached final rule entitled "NRC Public Document Room Address Change and Corrections to Information Collection Provisions" amends several 10 CFR Parts. The final rule reflects the new address for the Public Document Room and to correct information collection sections in the Code of Federal Regulations. These amendments are necessary to inform the public of these administrative changes to the NRC regulations.

This final rule does not constitute a significant question of policy, nor does it amend regulations contained in 10 CFR Parts 7, 8, or 9 (Subpart C) concerning matters of policy. I therefore find that this rule is within the scope of my rulemaking authority and am proceeding to issue it.
