Re: In the Matter of Private Fuel Storage, LLC, Docket 72-22

Dear Mr. Julian;

Today the State is filing the enclosed "State of Utah's Notification That PFS May Supplement the Hearing Record for Contention Utah E (Financial Assurance) or in the Alternative Motion to Order PFS to Supplement the Record," which may contain information claimed by Private Fuel Storage, LLC as proprietary. While the State makes no claim as to whether or not this pleading should be treated as confidential, the attached documents should not be available to the public unless the proprietary claim is removed by PFS.

By this letter we are notifying parties on the PFS service list who are not privy to claimed proprietary information of this pleading.

Please contact me with any questions at (801) 366-0286. Thank you.

Sincerely,

Denise Chancellor
Assistant Attorney General
