PART I.C COMMENTS (Use attached Comments continuation page if required)

NRC staff located records related to Contract No. AT(45-1)-2416 but was unable to determine if the located records were already publicly available. Since these records relate to an agreement between the Energy Research and Development Administration (ERDA) and the Washington Public Power Supply System (WPPSS) they have been referred to the Department of Energy (DOE), which has responsibility for ERDA, for a release determination and direct response to you.

Your request stated that Contract No. AT(45-1)-2269 also related to an agreement between ERDA and WPPSS. Staff did not locate any records relevant to this contract. NRC recommends that you submit a Freedom of Information Act (FOIA) request to the DOE for this contract. The DOE contact is:
