SUBJECT: APPROVAL OF INTERIM STAFF GUIDANCE NO. 1, REVISION
1, "DAMAGED FUEL"

Attached is Revision 1 of Interim Staff Guidance (ISG) No. 1, entitled "Damaged Fuel," for your approval. This revision expands upon the current definition of damaged fuel, describes considerations for its handling, and outlines methods for classifying fuel as damaged or intact. Current practices along with inputs from industry and staff have been incorporated into this revised guidance.

This ISG has been reviewed by the Spent Fuel Project Office staff and the Technical Review, Licensing, and Inspection section supervisors. Comments received have been considered and incorporated as needed; therefore, we recommend that this ISG be approved.
