Hartsville, TN -
10-15-2002

Dear Sir:

As I live on Hwy 25 across from the abanded Nuclear Plant and now the Uranium Plant wants to come there.

We do need more jobs, but not that dangerous ones.

Please do all you can to stop this from coming to our county.

I don't think of anything positive that it will help, the finished product goes overseas. Let them put it in their country.

Thanks Very much

Helen Oldham
