Subject: Idle TACs

Steve:

On your previous requests, I took out these TACs:

MB6435, NMP1 Recirc. and Water Cleanup System Piping Weld Inspections

MB5732, NMP2 Use of Code Case N-653

The first TAC was opened on 9/13, while the second was opened on 8/1. What's happening with the submittals?

Please advise immediately if I should terminate these TACs.

Peter
