5 7. The Firm will serve a copy of this Application on the Special Notice List in this

10 APPLICATION AND EXPENSE REIMBURSEMENT" which was entered on or about

12 further hearing or order of this Court unless an objection to this Application is filed with the  
13 Court by the Debtor, the Committee or the United States Trustee and served by the fifteenth day  
14 of the month following the service of this Application. If such an objection is filed, Debtor is  
15 authorized to pay the amounts, if any, not subject to the objection. The Firm is informed and  
16 believes that this Cover Sheet Application will be mailed by first class mail, post prepaid, on or  
17 about October 30, 2002.

18 9. The interim compensation and reimbursement of expenses sought in this  
19 Application is on account and is not final. Upon the conclusion of these cases, the Firm will seek  
20 fees and reimbursement of the expenses incurred for the totality of the services rendered in this  
21 case. Any interim fees or reimbursement of expenses approved by this Court and received by the

**CERTIFICATION**

I, Steven A. Hirsch, declare:

(a) That I am a member of Keker & Van Nest LLP ("the Firm") and of the bar of the States of California, New York, and Connecticut, and of the bar of the District of Columbia.

(b) That I am familiar with and have read the above Cover Sheet Application and that the facts therein are true to my knowledge and belief. The copies of the billing statements attached to this Cover Sheet Application are true and correct copies of the billing statements of Pacific Gas and Electric Company ("the Debtor") for the matters in which the Firm is currently retained by the Debtor ("the Matters").

(c) That the Firm has not been paid or promised any compensation from any other source for services rendered in connection with the Matters.

(d) That the Firm has not entered into any agreement or understanding with any other entity for the sharing of compensation received or to be received for services rendered and/or to be rendered in connection with the Matters.

(e) That to the best of my knowledge, information, and belief, the compensation and expense reimbursement sought herein is in conformity with the *Guidelines for Compensation and Expense Reimbursement of Professionals and Trustees* for the United States Bankruptcy Court for the Northern District of California, except for the following: The Firm's computer system is not set up to bill in tenths of an hour. Instead, the Firm is required to bill in eighths of an hour. This does not result in the rounding up of total time billed to the Debtor.

(f) That the compensation and expenses sought herein were billed at rates no less favorable than those customarily billed by the Firm and generally accepted by the Firm's clients.

I declare under penalty of perjury that the foregoing is true and correct and that this certification was executed this 30th day of October, 2002 at San Francisco, California.
