SUBJECT: REQUEST FOR ADDITIONAL INFORMATION FOR THE INACTIVATION OF
SEALED SOURCE AND DEVICE CERTIFICATE NO. NR-536-D-109-B.

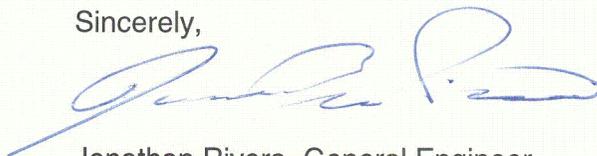

Dear Mr. Widomski:

This is in response to your letter dated September 17, 2002, requesting inactivation of Sealed Source and Device Certificate No. NR-536-D-109-B. In order to inactivate this certificate, we need the following information:

- Please clarify the word "source" in Paragraph 2 in the above referenced letter. Indicate whether it is the source, or the entire device, that has not been actively marketed and has been discontinued.
- Models N600-0113, N600-0030, L413-0127, L413-0128 are indicated on the latest amendment of the certificate. Indicate which of the 4 models you are requesting to inactivate.
- Please provide the total number of products sold, and the total number of products still in use to date.
- Please confirm that service will continue to be provided for the products that are still in use.
- Please confirm that no changes have been made to the product since the certificate's last amendment on September 11, 1996.
- Please confirm that in the future, the product will no longer be manufactured or distributed.
- Provide copies of the following letters that have been incorporated by reference into the certificate's last amendment: June 5, 1995, April 13, 1989 (two letters), March 4, 1987, February 23, 1987, April 16, 1982, June 16, 1981, and December 16, 1980.

Please submit the requested information within thirty days of the date of this letter. If you have any questions, please contact me at (301) 415-5810 or John Jankovich at (301) 415-7904.

Sincerely,

Jonathan Rivera, General Engineer
Material Safety and Inspection Branch
Division of Industrial and
Medical Nuclear Safety
Office of Nuclear Material Safety
and Safeguards

Please submit the requested information within thirty days of the date of this letter. If you have any questions, please contact me at (301) 415-5810 or John Jankovich at (301) 415-7904.

Sincerely,

Jonathan Rivera, General Engineer
