NRC Docket No. 070-03098-ML

DCS is submitting to the NRC the Construction Authorization Request (CAR), revised as of October 31, 2002. This revised CAR contains two proprietary attachments which are enclosed: privileged commercial information (withheld from the public pursuant to 10 CFR § 2.790(b)); and information related to the design bases for physical protection and material control and accounting (withheld from the public pursuant to 10 CFR § 2.790(d)). DCS maintains its position that the latter information is not required at this stage of the proceeding.

These documents must be maintained in confidence in accordance with your executed Non-Disclosure Affidavits and the Licensing Board's June 29, 2001 Protective Order.
